

## School Council

*'Alone we can do so little, together we can do so much...'*

### Mansel Park Primary & Nursery School

**Date:** Wednesday 8th November 2023 **Time:** 8:40-9:00 **Venue:** Top Hall

#### Minutes of session 4:

- Shared ideas from class discussions.
- We discussed the ideas for change that came up in our last meeting. We then considered how we can utilise the equipment we already have at school to embed some of these ideas.
- Discussions around how we can make our playgrounds a space where learning opportunities can continue. Our initial ideas were to have a reading, writing or maths area which school council children can monitor and support peers with.
- We discussed our long term vision for improving the playground with play equipment and felt that fundraising would be essential in order to make this happen.

#### Agreed actions from the meeting:

- Classes to gather fundraising ideas for our next meeting.
- Miss Draper to consider how we can implement these ideas and discuss this with Mr Lodge.

Next meeting scheduled for: Wednesday 22nd November 2023. Same venue and time.

Update shared with GM: NO
