Dear Families

I am writing re Storm Ciaran.

Following several strategy meetings, I have just been informed that Local Authorities, police and other emergency services have declared a Major Incident starting at midnight tonight and going through Thursday.

I have been advised by the LA that all schools should remain closed throughout Thursday. I hope this will provide you with the clarity that you wanted. The safety of our children, families and staff sit at the very core of all we do and we wish you all safe and well.

Work for our children is set every day on our Partnership Learning Platform. Learning for the day can be accessed here:

Thank you for your continued support.

Best Wishes

Mrs Montague
