Dear Parents

## PUPIL PHOTOGRAPHS

The school photographer will be visiting our school on **Tuesday 31<sup>st</sup> October** to take individual photographs of all children attending Mansel Park Primary and Nursery School.

Each child present that day will have an individual photograph taken during school time. There will be the opportunity for sibling in school photographs at a later time after the end of school.

For those families with more than one child in our school, the photographer has offered to come in between 3.30pm and 5.00pm to take sibling photos (siblings in school only) but please note that parents will need to stay with their children to supervise them before taking them home.

The sibling session will run at 5 minute intervals starting at 3.30pm. Please complete the form below indicating your wish to attend and a time slot will be sent to you via Parentmail.

In order to facilitate these photos and to ensure proofs are correctly identified, we will be sending class lists to the photographer so they can prepare in advance for the day.

Yours sincerely

Gerida Montague
