9th January 2024

Dear Parents,

Y6 booster sessions

In order to support our pupils in achieving their best, we are inviting your child to additional booster sessions designed to help them meet their end of year targets. This will include targeted gap filling and support for deeper concepts.

The morning will consist of an 8:00am start, where children will arrive in school via the main office, and will be taught by one of the year 6 team to help fill any gaps in learning or to teach new concepts. This will then be followed at 8:30am by a breakfast option of a yoghurt, a piece of fruit and/or a brioche bun. We will also provide water and an option of apple or orange juice.

Your child should arrive no later than 8:00am. These booster sessions will begin on **Monday 15th January** and will run through until the end of Spring 2 (Easter holidays.)

We do hope that you will give permission for your child to take part in these booster sessions which will support their understanding of Mathematics, SPaG and Reading. Please complete the slip below and return it to your child's Y6 teacher.

If you have any concerns or queries, please do not hesitate to contact Mr. Peters via the school office.

Many thanks for your support.

Kind regards,

Paul Lodge,

Principal

I give permission for to attend Y6 booster sessions at 8.00am from Monday 15th January 2024.

My child has the following food allergies / intolerances
