Year 6 Transition Information

Dear Year 6 parents,

Educational settings are working together closely and consistently to embed high quality, seamless transition across the city so that children settle successfully and swiftly as possible and that their social, emotional and educational needs can be met in pre-transition activities planned for the Summer term. Southampton City Council have agreed transition guidance to promote the timely sharing of information that is deemed necessary and proportionate to enable schools to effectively plan for the successful transition of Year 6 children to their secondary School setting.

Educational information

- Assessment information for reading, writing and maths in lieu of any statutory assessment information*.
- Curriculum area gaps for reading, writing and maths*
- Interventions and strategies in place to support children*.
- Behaviour for learning strategies and indicators
- Attendance* and engagement.
- Exclusions.
- Whether the child is likely to require additional support pre-transition.

Medical, SEND or safeguarding information

- Indication there is health information that the school needs to share e.g. allergy or emergency care information*
- SEND information to support the effective transition and knowledge of support required *
- An indicator if a safeguarding discussion is required to support the child and ensure the next setting has appropriate knowledge and awareness *

Pupil interests, social or emotional aspects

- Areas\ subjects of interest to the child
- Information that may support a child's social or emotional aspects of their development or reduce anxiety for transition
- Key information for EAL, pupil premium or vulnerability definition*.

*statutory guidance is in place that schools must follow unless they have a good reason not to within the Send Code of Practice and Keeping Children Safe in Education, Supporting

pupils in school with medical conditions, Common Transfer File and Education Law set out in Appendix 1

Consent will be requested for six aspects of this information that have deemed to be outside of statutory functions and duties. The additional information that consent is requested for if relevant to your child is attached on the google form for you to complete.

The school is satisfied that the sharing of this agreed transition data is necessary and proportionate to enable the provision of planned support at this transition point from Primary to Secondary phase. Thus, enabling schools to better plan for and support the educational and pastoral needs of its pupils will reduce the concerns regarding children and young people's mental health and emotional well-being during and post-pandemic.

All information will be shared on or after May 19th, 2023. It is requested that all parents provide consent/ no consent to share the additional elements indicated below, where they are relevant to your child. The deadline for responding to school regarding consent and any objections is **April 28th 2023** before the end of the school day.
