

## School Council

*'Alone we can do so little, together we can do so much...'*

### Mansel Park Primary & Nursery School

**Date:** Wednesday 22nd November 2023 **Time:** 8:40-9:00 **Venue:** Top Hall

#### Minutes of session 5:

- Shared ideas from class discussions around fundraising.
- We discussed the ideas for fundraising and considered how we would like to use this money to benefit both us as a school and our local community.
- Discussions around how the school council can play a role within these fundraising activities.
- We started to think about which charities we would like to support and generated a wide range to share with our classes with the vision that we will narrow this down through our class discussions.

#### Agreed actions from the meeting:

- Classes to gather ideas for fundraising for our next meeting.
- Children to consider how we would like to use the fundraising money with a particular focus on how we can benefit as a school but also how we can support our community.

Next meeting scheduled for: Wednesday 6th December 2023. Same venue and time.
