

School Council

'Alone we can do so little, together we can do so much...'

Mansel Park Primary & Nursery School

Date: Wednesday 27th September 2023 **Time:** 8:40-9:00 **Venue:** Top Hall

Wednesday 27th September 2023

Minutes of session 2:

This week we collaborated with our eco team to see how we can support them with our responsibilities as an eco school. It was exciting to hear about the upcoming goals for Mansel Park.

To support our eco journey, we have taken the responsibility to look at how we can reduce the waste that we generate at school. We worked together to generate ideas about how we can do this.

Our initial ideas to reduce waste:

- To recycle whiteboard pens.
- To collect crisp packets and other plastic wrapping at lunch time so we can recycle it through a local drop off point.

Agreed actions from the meeting:

- To discuss ideas within our classes to consider how we can also reduce the amount of food waste that we produce or how we can use this food waste for our compost.
- To share our idea boxes with our classes so that we have discussion points for our next meeting.
